## Local 170 Updates

### Website

I am pleased to announce that Local 170's new website went live January 5, 2018. It has a new clean look and in addition to being built on a secure platform, it has been designed and developed with the end user in mind. Please visit the website at [ualocal170.com](http://ualocal170.com) for access to: UA Local contact information, elected officers and their assignments, the upcoming events calendar, member forms, the member's job tape, and the members only section (see Members Only Login information below). All our other social media channels such as Facebook, Instagram, Twitter and YouTube are also easily accessible on the website. This is an ongoing project and there will be several updates and additions in the coming months. If you have any ideas, comments or suggestions please email them to: [info@ualocal170.com](mailto:info@ualocal170.com).

### Membership Database / Members Only Login

Local 170's new database system is now fully operational. Members are now able to access the database and view their personal profile, dispatch information, collective agreements and more. To login, click the Members Only tab on the front page of the website. Your username is your UA Card Number and your password is the last four digits of your Social Insurance Number. Through this portal, you can update and keep your address and contact information current.

### Electronic Newsletters / Notices

Please keep your email address and cell number current as we will be using email and text messages to send out notices and/or notifications.
