Dear Sisters & Brothers,

We are expecting an announcement sometime this week from Premier John Horgan and anticipating that we will be moving to Phase 3 of the province's re-opening plan. With this in mind, the officers and I have been working on plans for the following:

- Local 170 's Office Re-Opening to Members and Public
- Local 170 Annual General Meeting
- Local 170 Area Meetings

As we continue to deal with COVID-19 restrictions and want to keep the safety of our membership and staff a priority, there are several details that need to be considered before we can move ahead with many of our plans. We will provide the membership with an update on Friday, June 26, 2020, and a newsletter will be forthcoming with our tentative Summer schedule as soon as dates are finalized.

Thank you to the membership for your patience at this time. We continue to be onsite at the office and available to assist with any questions or concerns. We look forward to resuming somewhat "normal" operations in the very near future.

Fraternally,

A.D. Al Phillips, RSE  
Business Manager & Financial Secretary
