REGULAR MEMBERSHIP MEETING
UA LOCAL 170 UNION HALL – 1658 FOSTERS WAY DELTA BC

OCTOBER - NOVEMBER – DECEMBER 2020

Dear Sisters and Brothers:

We are cautiously moving forward with the following Regular Membership Meeting schedule for the remainder of the year. The decision to move ahead with in-person meetings has not been made lightly. Careful consideration has been given to the recent surge in COVID-19 cases, weighed against the importance of having membership voice and vote. Our recent in-person meetings (AGM, Area Meetings, September meeting) went extremely well with chairs appropriately spaced and members being diligent with masks and sanitizers. In the abundance of caution, masks will be required at all upcoming Regular Membership meetings. I am optimistic that we can move ahead safely but will continue to monitor this changing situation. We will continue to keep you updated with email notifications, but encourage you to visit our website or social media sites (facebook, Instagram) for up to date information.

The Regular Membership meeting dates are scheduled as follows with additional dates **added only if we have reached the 50 person maximum for the Thursday night meeting.**

THURSDAY, OCTOBER 8, 2020 – 7:00 pm
THURSDAY, NOVEMBER 12, 2020 – 7:00 pm
THURSDAY, DECEMBER 10, 2020 – 7:00 pm

In order to attend any of the above meetings, **members must register** by email at info@ualocal170.com or by calling 604-526-0441. When registering by email, please include your UA Card Number and contact telephone number. You will receive an email confirming your registration. If the meeting date is full, you will be notified of the next available date. No registrations will be taken for the additional dates (either the previous Wednesday or Tuesday) until the Thursday meeting is at capacity (50 members).

Given the re-opening of the economy and schools, we are experiencing an increase in COVID-19 cases throughout our province. We have had a few cases reported on our jobsites to date. Thankfully, all the affected workers have recovered with limited spread. I encourage you to double down on your COVID-19 prevention efforts. If you are having any issues or concerns on the jobsite (COVID related or otherwise), please contact our office.

I look forward to seeing you at the upcoming meetings.

Fraternally,

A.D. Al Phillips, RSE
Business Manager & Financial Secretary
