To whom it may concern,

Thank you for your interest in traveling to Local 170 to help our local members. As a travelling apprentice, you are subject to the working rules and bylaws, ICI and apprenticeship standards of Local 170.

In Local 170 we use a combination of schooling completed and verified apprenticeship hours to determine an apprentice's dispatch rate. Please have this form filled out by either your Business Manager, a Business Agent, or your Local Training Coordinator. If you do not have this form filled out, you will be dispatched at 1st term rate. Our office also reserves the right to call and verify with your home local or training center.
